

Snowman Ornament

Supplies for activities needed:

- Black and Orange Marker
- Black or Brown Construction Paper
- Pipe Cleaner
- Popsicle Stick
- White Paint and Paint Brush
- Googly Eyes
- Buttons
- Glue and Scissors

Activity Name:

- School Readiness Outcomes (SRO) goals met:
 - Experimenting with a growing variety of writing tools and materials.
- Instructions
 1. Take a popsicle stick and paint it white.
 2. Take the construction paper and cut out a top hat. Then glue the hat to the top of the popsicle stick.
 3. Take the googly eyes and glue the eyes down under the hat. If you do not have googly eyes, use a marker to create the eyes.
 4. Take the orange marker and create an orange carrot under the eyes. Then create a mouth using the black marker.
 5. Take the pipe cleaner and wrap it around the popsicle stick once. This will be the scarf and the hook for the ornament. Then take the ends of the pipe cleaner and tie them at the top of the popsicle stick.
 6. The last step is to glue three buttons under the scarf.
