

How to Take Care of a Plant!

Supplies for activities needed:

- Plants
- Water
- Colors
- Paper

Activity Name: Watering/taking care of plants OR drawing/coloring different types of plants.

- School Readiness Outcomes (SRO) goals met:
 - Makes comparisons between positional objects.
 - Identifies similarities and differences.
 - Follows multi-step or complex directions.
- Instructions
 1. Gather all plants if you have any and set them up on the windowsill or somewhere where they can get sun.
 2. Water the plants!
 3. Compare and contrast the plants—leaves, size, color, etc.
- Extension Activity
 - Gather colors and paper and draw some plants (either ones directly from the video or your own!)
 - Compare and contrast the plants that you drew, what do they all have in common?
