

Supplies for activities needed:

- Cardboard box or wooden box
- 8 different colors of construction paper
- 8 toilet paper rolls
- Tape
- Scissors
- Bouncy ball

Activity Name: Bouncy Ball Maze Game

- School Readiness Outcomes (SRO) goals met:
  - Acting alone, using materials to organize active play involving two or more steps.
- Instructions
  1. Cut out 8 little squares of construction paper, all different colors
  2. Repeat step 1
  3. Set aside one set of 8 squares
  4. Tape 8 squares of construction paper onto 8 different toilet paper rolls
  5. Tape down the toilet paper rolls in your box, making sure that they are spread apart
  6. Time to play the game!
    - a. Grab the pile of 8 squares you set aside in step 3 and bring them in front of you
    - b. Close your eyes and pick 4 of the 8 squares
    - c. Try to move your bouncy ball through the toilet paper rolls in the order of the cards that you picked
    - d. Time yourself to see if you can beat your previous times!
    - e. Add more squares to make it harder
