

Supplies for activities needed:

- 2 sheets of paper (construction or printer)
- Salt or other medium (sugar, brown sugar, etc.)
- Baking sheet (can also use pie plate, serving tray, shoebox lid, etc.)
- Marker or pen

Activity Name: Salt Tray Writing!

- School Readiness Outcomes (SRO) goals met:
  - Beginning Writing
  - Plans Complex Activities
  - Relates to Adults
- Instructions
  1. First have a parent write down on paper (to use as comparison) letters and shapes that the child would like to write in the salt tray!
  2. Then pour salt into the tray (a medium size amount), so there's enough salt to see what you're writing
  3. Have your child draw their letters and shapes in the salt!
- Extension Activity Ideas
  - Draw numbers on your salt tray!
  - Add fun materials to your salt tray, such as confetti!
