

Jellyfish Salt Artwork

Supplies for activities needed:

- Salt
- Watercolors
- Liquid Glue
- Water
- Paint Brushes
- Pencil
- Paper

Activity Name:

- School Readiness Outcomes (SRO) goals met:
 - Following simple directions
- Instructions
 1. Sketch out your jellyfish design
 2. Cover entire sketch with liquid glue
 3. Cover all glue with salt
 4. Over a garbage can, shake off all of the excess salt
 5. Begin putting watercolors all over the salt
 6. Tip: It helps if you first put water on the salt, then follow up with the color you want
