

## Strip puzzles

Supplies for activities needed:

- Strip puzzles
- scissors
- paper
- markers or other coloring tools

School Readiness Outcomes (SRO) goals met:

- Reading several words

Instructions:

Using the strip puzzles given

1. Print the strip puzzles
2. Using the scissors cut the strips apart
3. Mix them up and try putting them back together

Making your own strip puzzles

1. On a piece of paper draw a simple picture
2. Using the scissors cut your drawing into equal strips, usually around an inch or two wide works best
3. Lay the strips in order so that the picture makes sense
4. Using the markers write the word beneath the drawing, placing one or two letters on every strip
5. Then mix up the strips and try putting them back together again

Extension Activity Ideas:

- Working on fine motor skills
- Working on spelling
