Supplies for activities needed:

- Popsicle Sticks
- Markers

Activity Name: Popsicle People

- School Readiness Outcomes (SRO) goals met:
 - Making Comparisons
 - Plans Complex Activities
 - Identifies Patterns
- Instructions
 1. Have your child decorate and draw faces on each popsicle stick to make them look like a person; do this for all of the popsicle sticks
 2. Then have your child arrange the sticks in sequential order from smallest to largest. This represents the boy growing from baby to adult.
 3. Try to see if your child can identify at what age each popsicle stick represents, or what the popsicle stick people might be doing at different sizes.
