- Instructions
 1. Print out the provided fish activity sheet and cut out the different words included in the print-out. Have kids practice matching the words with the different parts of the fish.
 - a. If a printer is not available, then take a blank piece of paper and draw a simple fish (body, fins, scales, eyes, mouth, tail).
 - b. Once the drawing is done, write out the different parts on tiny separate pieces of paper; encourage the child to match the different labels (mouth, fins, scales, tail) with the fish drawing.
 2. Children can color the fish in whatever colors you'd like.
