

“Peppa’s Windy Fall Day”

By: Barbara Winthrop

Supplies for activities needed:

- Peppa paper doll
- Peppa’s Fall/Winter clothes
- Leaf printables
- Construction Paper
- Crayons
- Paint
- Paintbrushes

Activity One: Dressing for the appropriate weather

- School Readiness Outcome (SRO) goals met:
 - Sorts objects: Sort different items together based on common similarity, child group similar items together
 - Participates in Routines: Is able to identify sequence in an activity or story
- Instructions:
 1. After reading Peppa’s Windy Fall Day, discuss with your child what they noticed about the weather, the current fall season and why it is important to dress for colder weather in the fall and winter.
 2. Color the Peppa paper doll and clothing items in with the child
 3. Have child dress their Peppa doll with the appropriate clothing for the fall and winter seasons.
- Extension activity idea:
 - Discuss all four seasons with the child and talk about all of their differences. Ask the child what kind of clothing they should dress the Peppa doll in if it were spring and summer.

Activity Two: Leaf hunting and sorting

- School Readiness Outcome (SRO) goals met:
 - Makes Comparisons: Identifies similarities between objects using a comparison word, Identifies differences between objects using a comparison word, places objects in sequential order
 - Sorts objects: Child groups similar objects together based on one common similarity, while sorting, child identifies the similarity of the sorted objects, the child identifies two or more similarities between objects or groups
- Instructions:
 1. Using the sheets of leaves provided, have your child color in the oak and maple leaves. Talk with your child about the colors of the leaves in Peppa’s Windy Fall Day, and encourage them to color their own leaves this way.
 2. Once the leaves are colored in, cut out the different leaves. Have your child begin to sort their leaves in different ways, such as color, size or size! The possibilities are endless!

- Extension activity ideas:
 - Head outside to your yard, a park or go on a nature walk as a family! Collect leaves of all different colors, shapes and sizes to sort again. Look for leaves (maple and oak) and have discussions about the different kinds of trees and what makes them different.
 - Using the leaves found while outside, create a leaf rubbing. Place a leaf or multiple leaves underneath a sheet of paper. Use a crayon to color on to of the paper. After coloring, the leaf print will begin to show through.
 - Stay outside longer or go out again! While walking around outside, have your child notify you when they see something from Peppa's Windy Fall Day (colorful leaves, leaf piles, people wearing a coat, etc.). To let you know they found something, they can put their finger on their nose. Have your child identify the object and describe it to you.
