

Popsicle Stick Puzzle

Supplies for activities needed:

- Printed Out Picture (can be from Online or one that you have taken)
- Popsicle Sticks
- Glue
- Scissors

Activity Name:

- School Readiness Outcomes (SRO) goals met:
 - Using one method to try and solve a problem
- Instructions
 1. Cut out the picture that you will be using into a square shape.
 2. Then you are going to flip the picture over and glue the popsicle sticks down onto it, making sure that there is space in between to cut the picture into strips.
 3. Cut the picture into strips, and then have your child solve their new puzzle!
