

# Compost

Supplies for activities needed:

- Print out!
- Large variety of coloring materials

Activity Name: Lifecycle of Food To Compost

- School Readiness Outcomes (SRO) goals met:
  - The child identifies repeated patterns or graduated series
- Instructions
  1. Print out the activity.
  2. Color in images that match each circle.
  3. Discuss the cycle of our food!
- Extension Activity Ideas
  - If you do not have access to the printable, have the child create a similar cycle on a piece of paper. Discuss the repeated pattern of our food.
