

Making patterns with playdough

Supplies for activities needed:

- Playdough (see previous video on how to make it)
- Rolling pin or something round
- Knife or cutting tool
- Cookie cutters (optional)

School Readiness Outcomes (SRO) goals met:

- Creates a pattern with four or more objects and repeats the pattern more than once

Instructions:

1. Using the rolling pin roll the playdough into a flat circle
2. Using the knife or cookie cutters cut out different shapes
3. Use the cut out shapes to create a pattern

Extension Activity Ideas

- Use the knife to cut out different shapes and identify those shapes
- Work on motor skills using the rolling pin and the knife
