

What's in Your Backpack Activity Guide

Supplies for activities needed:

- Your backpack with whatever is inside!
 - A notebook or whiteboard
 - A whiteboard marker or pen/pencil
 - ABC's list
-
- School Readiness Outcomes (SRO) goals met:
 - This activity will help your child copy or write identifiable letters.
 - This activity will help your child learn to identify the letters in the alphabet.
 - Instructions
 1. Today, we looked through my backpack to see what was inside. We found lots of fun items including, colored pencils, a planner, whiteboard, and some books! We decided to grab a notebook or whiteboard to write some letters and words!
 2. Grab a whiteboard with a whiteboard marker or a notebook with a pen or pencil. Find a full list of the ABC's and have it next to you throughout this activity.
 3. We will practice writing my name (Ashlyn) or your name. Follow along throughout the video to see how to write my name (Ashlyn) and the word "dog."
 4. Wow! Great work spelling names and words! Try spelling as many words as you can think of and challenge a friend!
 5. Sing your ABC's to remember which letters are in the alphabet!
