

Directions for Tissue Paper Flowers

Supplies needed:

- Tissue paper
 - 2 different colors (cut 2 pieces from each color)
 - Cut into 15 x 25 cm pieces (4 pieces total)
- Pipe cleaners
- Scissors
 - Make sure to have a parent/guardian help if needed!
- Ruler to measure tissue paper
 - Use a pencil/marker to help guide

Directions:

1. Taking 2 different colored pieces of tissue paper, measure 2 pieces of tissue paper matching 15 x 25 cm from each piece. (have a parent/guardian help measure if needed)
 - 4 pieces total!
2. Once cut, stack them on top of each other and do a zig-zag fold!
 - Fold should be 1.5 cm thick
3. After folding, cut out 2 pieces from each end, and do any design you want!
4. Before unfolding, wrap 1 pipe cleaner around the middle once.
5. Begin to unfold each layer of the paper, resulting in a beautiful tissue paper flower!
