

# Making letters with playdough

Supplies for activities needed:

- Playdough (see previous video on how to make it)
- Rolling pin or something round
- Knife or dull cutting tool

School Readiness Outcomes (SRO) goals met:

- Identifying letters in the alphabet, especially those in their own name

Instructions:

1. Using the rolling pin roll the dough into a flat circle
2. Using the knife cut out the letters in your name

Or

1. Using your hands make a long snake like rope
2. Use the rope and bend and shape it into the letters of your name

Extension Activity Ideas:

- Use the knife to cut out all the letters of the alphabets and identify those letters
- Work on motor skills using the different tools
