- Instructions
 1. Cut out one big heart from a piece of paper.
 2. Cut out smaller hearts from a piece of paper, as many as the viewer sees fit. Glue said smaller hearts to the big heart.
 3. Cut out a half circle from a piece of paper and glue to the back of the big heart. Draw on two eyes using the coloring tools you have available.
 4. Cut out two strips of paper and glue to the back of the half circle you previously glued on.
 5. Lovebug is now complete! You can hang it up, give it to someone you love, or use it as a reminder of who you love by writing the names of people you love on the backside of the lovebug.
